Re: SOS Form BDVR-153, Requesting Your Own Record

If title to the title in question is still in the debtor's name, you may request the debtor's records from the state using this form.

Complete Section 1, Requestor's Information.

Do not complete Section 2, Requesting Your Own Driving Record.

In Section 3, list the vehicle year, make and model, and vehicle identification number, if known. Check the box "partial title history." For the date range, write "ownership to cover [Month, Day, Year]," where the date listed is a date when it is known that title was in the debtor's name.

Complete Section 4, Payment Method.

Complete Section 5, Special Delivery Instructions, if desired. I recommend the results be mailed to the debtor or attorney to ensure that the records are received.

Complete Section 6, Requestor Certification.

It may take up to 6 weeks to receive the lookup results.

Please provide the results to:
