Re: SOS Form BDVR-154, Record Lookup Request

If the title to the vehicle is no longer in the debtor's name (title is usually transferred to the creditor shortly after repossession), you may request the debtor's records from the state using this form.

Complete Section 1, Requestor's Information.

Do not complete Section 2, Driver Information.

In Section 3, list the vehicle year, make and model, and vehicle identification number, if known. Check the box "partial title history." For the date range, write "ownership to cover [Month, Day, Year]," where the date listed is a date when it is known that title was in the debtor's name. Leave the vehicle owner and name section blank.

In Section 4, Permissible Purposes for Obtaining Records and Information, select D (use in a civil proceeding).

Complete Section 5, Payment Method.

Complete Section 6, Requestor Certification.

It may take up to 6 weeks to receive the lookup results.

Please provide the results to:
